

ABOUT OUR COMPANY

MIKE DARTER
Co-Founder - CEO

Mike was a police officer in Oklahoma City from 1991-2001, and a federal contractor for the DOJ from 2001-2011. During his career Mike investigated and testified in hundreds of violent crimes, including shootings, homicides, and other violent felony crimes. Mike was involved in a shooting as a police officer and went through a lawsuit from that shooting. The lawsuit was later dismissed, but his experience is what led to the creation of CCW Safe.

KYLE SWEET
Co-Founder - General Counsel

Kyle has represented hundreds of cases in state and federal courts throughout the United States and in matters before regulatory and licensing agencies. He is regularly a featured speaker nationwide on issues such as Medical Staff Services, Negligent Credentialing, Perinatal Safety, Defensive Medical Charting, Dealing with Disruptive Physicians, Overcoming Surgical Complications and Catastrophic Medical Malpractice Defense. He is also a proud former Police Officer.

STAN CAMPBELL
Co-Founder - COO

Stan Campbell has over 20 years of experience as a police officer in Oklahoma City. He retired as a Lieutenant over a street crime team, and spent over 10 years on the Tactical Unit (SWAT) and has spent 15 years developing and teaching self-defense curriculum. Stan has extensive experience and knowledge in the critical incident command system, officer involved shootings and use of force incidents.

DON WEST
National Trial Counsel

Don is a board certified criminal trial specialist with 35 years experience as a criminal defense trial lawyer. He has extensive experience representing those who have had to defend themselves against unlawful and potentially lethal attacks and has personally tried many deadly force self defense cases during his career, most notably as co-counsel in the highly publicized defense of George Zimmerman in the Trayvon Martin shooting.

WHAT WE DO

CCW Safe is a legal service membership plan that was designed for CCW permit/license holders, active and retired military and law enforcement officers, and gun owners. We are not an insurance plan, we are a legal defense service plan.

CCW Safe takes on the burden of the expenses associated with defending a self-defense/use of force critical incident. CCW Safe does not have the conflicts of an insurance product because the company is designed to indemnify the cost of the incident and not the outcome of a trial. It is not a reimbursement package and no money is required to be paid back to the company regardless of the outcome.

You are covered in all states that honor your permit, and in all 50 states where you can legally possess a firearm. CCW Safe members will not have any out of pocket expenses associated with defending a self defense incident, nor will they be limited by a policy cap on defense costs.
